

kitten kittens kit

rabbit

kitten small as a toy

easter bauble bare cold body

stiff in the shade of hydrangeas

pricked ears grey fuzzed fur hardened flesh

kittens

weaning flat-scatter run

low under that old hydrangea

dead baby rabbit gone and more

blue grey feathers quilling lawn

vixen

mist makes my room a hide

lean darkening long dry grass

unhurried steps a morning stroll

grey-whiskered old kit treading wise
